

PIEDMONT PLUG™

SEAL THE MULLION. STOP THE SOUND.

*Visit **PiedmontPlug.com** for more information!*

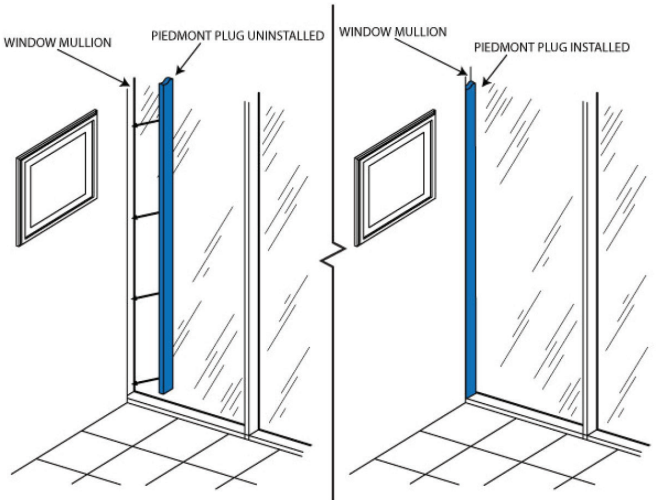

M-Series Aluminum Plug installed on each side of window mullion.
STC 59

***Due to variations in wall thickness and mullion sizes, plugs may be installed either recessed or flush with the wall surface. Both conditions are acceptable and do not affect acoustical performance.**

Common places to use the Piedmont Plug:

- Demising walls between tenant spaces
- Conference rooms
- Private offices
- Break rooms
- Huddle rooms
- Audio visual rooms

Patent No.: US 9,903,153 B2
