PIEDMONT PLUG™

SEAL THE MULLION. STOP THE SOUND.

Visit **PiedmontPlug.com** for more information!

How to Measure:

Width:

- Measure the top, middle and bottom of the opening from end of wall to glass. Make no deductions.
- The factory will make your plugs slightly smaller than your measurements to ensure they fit properly.

Height:

- Measure both the left and right sides of the opening and use the shortest dimension.

Patent No.: US 9,903,153 B2
